

On March 17 we prayed about two newborns.

Children are a blessing from God. During Jesus Christ's service, parents brought their babies to Him that the Savior blessed them.

In our church ministers make a similar prayer about newborns. This time we prayed for two girls.

Ovsyannikov's family brought the fourth daughter Ekaterina on blessing.

The second girl - Maria. Her parents minister in Teykovo Baptist Church of the Ivanovo region.

Our pastors made a blessing prayer over babies.

After that Svetlana Semenova congratulated parents of girls.
