

On March 28 a regional women's conference went in our church.

Its subject was: "Christian Woman: yesterday, today and tomorrow".

The first pastor of our church Igor Kudryashov opened conference.

The head of regional sisters' service Irina Yaryshkina held a seminar "Ministry of the sister"

The following seminar "Celibacy and the woman" was prepared by the head of sister service of the following seminary G. F. Utkina

Sisters praised the Lord singing

In breaks they communicated with each other.

Communication proceeded during a lunch tea

During a seminar it was possible to make interesting things by your own.

These hand-made articles will be a good reminder on last conference

Sisters from each church prepared own program.

In total slightly more than hundred sisters took part in conference.

All of them thanked the Lord for such opportunity to gather on this day.
