

On June 12 all our church came to the forest.

We could communicate and play games.

Children played with pleasure too.

At this time sisters cooked food

Process of preparation of pilaf has begun.

Children of Sunday school participated in interesting competition.

Each team needed to pass several tests.

And they also had to answer questions from the Bible.

After competition children have been congratulated on its successful passing

The diplomas of Sunday school Sergey Kovalsky has congratulated graduates and has handed

By this time pilaf was ready.

Tables have been laid.

We have continued communication, enjoying tasty food

We are grateful to God for fine communication and for good weather this day.
