

On September 30 we had the Harvest Holiday.

It is joyful day for all people. God gave us abundance of fruits this year. Festively decorated pyramid testified to it.

The Sunday school and youth took in a holiday active part - they showed sketches, sang and told poems.

This day pastor did the dedication prayer over newborn Denis - the son of our sister Irine.

The special congratulation sounded to Vitaly and Ania Avdeev's family. They celebrated decade of joint life this day.
