

On November 11 the church will celebrate the twentieth anniversary.

On November 2, 1992 we had the first evangelism in our town which was organized by the Volochek Baptist church. The pastor John Hooser from the USA also participated in service. Here is video of this service.

From this day to the present the church gathers, glorifying the Lord. Now we have the House of Prayer, where we can gather for communication and invite people.

We decided to make small repair in the House of Prayer: to paint walls, to equip rooms on a balcony.

All this week we decided to devote to repair - after all it is necessary to make many things. Everyday brothers and sisters gather in the evenings for performance of repair work.

Modernization also concerned illumination of a hall of church service. We got new modern luminescent lamps which appeared very economic.

We are so grateful to our Lord for His care of us. And also, taking an opportunity, we invite all people on our holiday on November 11 at 11 o'clock in the updated building of the House of prayer.
