

On January 6 we had a children's Christmas holiday.

It was intended for children from Sunday school, and also for their friends who for the present don't visit church. The holiday was prepared by teachers of Sunday school. Active part was taken also by parents of the invited children.

All gathered behind little tables where the entertainment was prepared. Children heard history about the wonderful birth of our Lord Jesus Christ.

During fellowship children together with parents participated in sketches, games.

Well and at the end of a holiday children received Christmas gifts. All people rejoiced and thanked Jesus for this holiday of His Christmas.
