

On April 28 we blessed two babies.

Last month we made a prayer over two newborn girls ([look this news](#)). This time God blessed us with boys.

One of them - Matvei Bashkirov. He is a long-awaited first-born in family of Alexey and Marina.

Another - David Kuziv. Andrey and Lyudmila were blessed by God with the third son.

Ministers made a blessing prayer, and then the church and our youth congratulated parents.

Let Lord leads Matvei and David and protects them in all their ways, and will give wisdom to parents in their education.
