On May 5 we celebrated Easter.

Church service began with glorification of Lord by singing.

Poems sounded.

Children of Sunday school actively participated in service.

They prepared interesting performance about meaning of Easter.

Nastya Smirnova played a violin, children sang for Lord.

Svetlana Kudryashov sang about Resurrection of our Lord.

And in the conclusion the male chorus glorified God.

After church service all gathered behind a festive table.

Jesus Christ is risen. He gave us salvation and joy. And also He especially blessed this holiday of Easter.
