

On June 2 we had the Graduation party at Sunday school.

Children who graduated from Sunday school, gained Diplomas. They will join now Youth service.

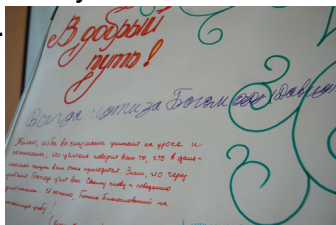

We gathered behind a festive table where fellowship proceeded.

And then games and competitions began.

Graduates of Sunday school left the wishes for children who will continue to be engaged next academic year.

The historical video was also shown where graduates saw what they were 8-10 years ago.

And in summary the festive collage was presented where service of Sunday school is represented.

Let's wish to our children of further successes in study, and on vacation - good rest.
