On June 10 the unusual project was carried out.

For this purpose two services: the **Gideon service** and the **Social service** united together.

They came to city library

There people with conditional and early terms were brought together.

Brothers and sisters worked on the God's Field very well.

There was many testimonies.

large number of the songs glorifying God was sung.

Also videos were shown.

People listened with attention, the Lord touched their hearts.
