

Before colds it is necessary to warm the House of Prayer.

Brothers and sisters by own efforts made plastic windows.

Now also the porch is under construction.

This is a big job and they needed funds, therefore churches of Tver region responded to help

Repair of the House of Prayer in Selische.

Last Updated Monday, 24 February 2020 19:46

The Selische Baptist church warmly thanks all who took part in their need.
