

We had a Baptism at the picturesque coast of the lake Kubycha on July 19.

Brothers and sisters gathered for solemn church service.

The Senior Pastor of our church Igor Kudryashov carried out a baptism.

This day brother Dmitry and sister Irina were baptized.

They believe in the Lord and today they fulfill His commandment.

It is some kind of covenant with God and all church is a witness of it

After baptism Dmitry and Irina participated in Lord's Supper together with brothers and sisters.

We praised the Lord for this wonderful church service.

Yet the Lord will help Dmitry and Irina to trust in God in their life!
