Many children from our town were invited to it.

Children's ministri of our church prepared a remarkable Christmas performance.

Children could play a little before the beginning

Then the performance began.

The girls and boys were to represent her three evidence of Christmas, and the stormer sent

During a performance children also participated in competitions.

All this time the granddaughter was meeting with months

They gave her three proofs: gold, frankincense and myrrh.

The old provided these evidence to the princess and all rejoiced about Jesus Christ's birth.

All children received Christmas gifts.
