"Absolutely Other Radio" (Tomsk)

Here you will hear modern and qualitative music... From morning to evening you the easy fate with the gospel elements waits. And evening and night in our air is installed the club music, known and not so DJs, in direct and curve air, won't allow you to fall asleep... We combined, it would seem not compatible club bits and heavy basses having united it everything in one stream of a positive. In our transfers we will acquaint you with different musicians, groups and certainly we will show other music.
