

News of social ministry.

In graphics of regular and annual trips to churches of our regional association there was a new point, the most distant, 400 km. At the weekend on March 16 and 17 we were in Nelidovo, the Tver region (once industrial miner's city of our area, but also now 17 thousand population).

Nelidovo Baptist church which is small but faithful to Lord Jesus prays for our service.

together we participated in Sunday service, prayed and rejoiced, communicating with each

God and we pray for him, respect, all his labor, his business cards, and his, and we to people who need
