On March 3 we have had communication of married couples.

Artem Alexandrov chaired the meeting.

He has emphasized that God has especially seen how each of us has met their spouse.

Each couple has shared testimonies of that moment when they have seen each other for the last time.

Christina wishes that their marriage becomes stronger every day. God especially blesses

During the meeting we actively participated in competitions and games.

We are grateful to God for His blessings and an opportunity to have such wonderful communication with each other.
